

soeasy Text and Surf Freebie

To qualify

1. soeasy Text and Surf Freebie (previously called soeasy TXTers) is available to soeasy pay as you go customers on the soeasy Classic price plan. It can't be used with soeasy Talk or soeasy International Freebies
2. You'll need to opt in and top up by a qualifying amount. Please go to [soeasy Text and Surf](#) for details on how to opt in, qualifying top-up amounts and the amount of SMS and web access you'll receive.

How it works

4. Once you are opted in, you need to top up by a qualifying amount. You'll then receive a mobile internet allowance for use within Cyprus plus standard local SMS messages for use in Cyprus. SMS and Mobile Internet are valid for 30 days from the date they're applied to your account until 23:59 on the 30th day. We'll try and apply your SMS and Mobile Internet as soon as you've made a qualifying top-up but it may take up to 24 hours to be applied to your account.
5. If you remain opted in and you top-up you account again within your current 30-day period, you'll get another allowance of SMS and Mobile Internet for the next 30 days.
6. Any unused SMS and Mobile Internet will not carry over when your 30-day period expires. If you exceed your SMS or Mobile Internet allowance (or both) we'll charge you at the price plan rate
7. If you get SMS or Mobile Internet from soeasy Rewards, these SMS and Mobile Internet will be used first.

Please be aware

7. To switch to a different soeasy plan (soeasy Talk or soeasy International) you must opt out of soeasy Text and Surf and then opt in the plan you wish. Any unused minutes from your allowance will not carry over.
8. soeasy Text and Surf Freebie is for your personal, non-commercial use and is subject to the soeasy pay as you go [Terms and Conditions](#).
9. We may vary or amend these terms, but if it's to your disadvantage, we'll notify you.
