

soeasy International Freebie

To qualify

1. soeasy International Freebie is available to soeasy pay as you go customers on the soeasy Classic price plan. It can't be used with soeasy Talk or soeasy Text and Surf Freebies
2. You'll need to opt in and top up by a qualifying amount.. Please go to [soeasy International](#) for details on how to opt in qualifying top-up amounts and the amount of standard international minutes you'll receive.

How it works

3. Once you've opted, you need to top-up by a qualifying amount. Then you'll receive an allowance of international minutes for calls from Cyprus to international standard geographic landlines and mobiles in certain countries. Calls to other numbers including premium rate and non-geographic numbers are not included. We may change the qualifying countries from time to time. To check which countries are included go to [soeasy International](#).
4. International minutes are valid for 30 days from the date they're applied to your account until 23:59 on the 30th day. We'll try to apply your international minutes as soon as you've made a qualifying top-up but it may take up to 24 hours to be applied to your account. If you remain opted in and you made a qualifying top-up again within your current 30-day period you'll get another allowance of international minutes for the next 30 days.
5. Any unused international minutes won't carry over when your 30-day period expires. If you exceed your international minutes allowance, we'll charge you at the [standard price plan rate](#).
6. If you get a prize for international call from soeasy Rewards, this amount will be used first.

Please be aware

7. To switch to a different soeasy plan (soeasy Talk or soeasy Text and Surf) you must opt out of soeasy International and then opt in the plan you wish. Any unused international minutes from your allowance will not carry over.
8. soeasy International Freebie is for your personal, non-commercial use and subject to the soeasy pay as you go [Terms and Conditions](#).
9. We may vary or amend these terms, but if it's to your disadvantage, we'll notify you.
